Congratulations to all prizewinners for excellent rides on a deceptively hard day. The Ladies, Veteran and Team awards will be presented at the K.C.A. Dinner and Prize Presentation on Saturday 21st November, 1964, at the Wig and Gown, Maidston Other Prizewinners should claim their awards from the Event Secretary as soon as possible.

The K.C.A. apologises to Mrs. Mills and M. Hammond for a misunderstanding which resulted in marshals being released from their posts before they arrived and also to Mrs. George for the missing marshals around the circuit which cost her several miles through going off course.

Particular thanks go to Geoff Bray who took it on himself to check round the circuit as the riders came on and to those many volunteers who filled the gaps in time to prevent any more riders going off course.

Grateful thanks go to those members of the Medway R.C., Bromley R.C., Hastings & St. Leonards C.C., Rye Wh., Wigmore C.C. and Ashford Wh., who covered the early morning checks, many helping later in the day, together with members of the San Fairy Ann C.C., Canterbury C.C., Faversham C.& A.C., Gravesend C.C. and Southborough & Dist. Wh. (who also donated the use of their numbers.) A useful job was done by the mobile marshals, L. Groombridge, D. Robbins and W. Warford.

For controlling the Timekeeping including the 100 mile check we thank Tom Bray and Ian Masterson. The 50 mile check was made by Warwick Dunford (event handicapper) and all these gentlemen were joined in the circuit timekeeping by Hugh West, Ted and Dot Harrison, John and Madge Clapp, Brian Kent, Phil MacFarlane, John Turner, Pete Avis, Nev. Cording, George Bowles, Arthur Wilson, Roy Crayford, Bill Cox, Cyril Tappenden and Messrs. J.F. Lambie and J. Ward.

Congratulations go to Keith Lawford and his band of feeders for a wonderful job, well done, which kept many competitors going.

Finally thanks to all not mentioned above who contributed to the success of this event. Remember that if all member Clubs had been able to contribute at least two marshals for the event, each Club's load would have been lighter and those people who gave so freely of their time would have been able to see more of the event. I hope all riders will be back next year, bringing more support with them and we'll have a bigger and better still event.
