Assistant Timekeeper: Geoff Bray

Congratulations to Brian Phillips for winning the event so handsomely and to all the other prizewinners. Commiserations to Gerry Horn, whose fall on the circuit caused the event to finish, for him, rather earlier than he would have wished. Both he and Roger Bunnett have recovered from their spills, I am pleased to say.

To the multitude of people who turned out to help at the event - it doesn't seem enough just to say thank you but I'm sure you all realise that without you there wouldn't be a K.C.A. 12.

The awards will be presented to the prizewinners at the KCA Lunch on November 15th at Aylesford Community Centre. Therese Mason, 4 Ash Grove, Maidstone, will be able to give you full details very soon and I am sure she will be pleased to have as many of you there as possible.

Dear Arthur,

Just a brief line to say thanks for your help at the 12 hour. It's difficult to convey how grateful I am but I'm sure you realise how much I appreciate your assistance.

I hope Mary enjoyed coming out to the event + that she had a nice stay with you. Give her my best wishes when you next write to her.

Yours sincerely  
Esther
