## KENT CYCLING ASSOCIATION

FOUNDED 1928

### PRESIDENT PAT HILL

Retiring after a quarter of a century as K.C.A. Secretary, Pat succeeded Peter Stone as Association President at the 2000 A.G.M.. Pat and Peter are still working for us. Pat will be out and about today, marshalling, timekeeping and encouraging riders around the course. Peter will be time keeping and I am especially grateful to him for re-measuring the course in view of the difficulties we are experiencing with road alterations in the area.

## NOTES

### **Riders**

In the interests of your own safety, the R.T.T.C. and the event promoters strongly advise the use of a hard shell helmet that meets an internationally accepted safety standard.

The starting circuit has been altered and there is a new circuit around Ivychurch, New Romney and Newchurch. The finishing circuit is also slightly amended. You should note that there will not be marshals at every junction, but it is intended to place arrows around the course. However You are responsible for ensuring that you follow the course correctly. Take Extra CARE at the RIGHT TURNS.

To reach the start from the H.Q. turn right toward the A28 and then right to the Bethersden Bull P.H. where turn right.

Riders should be aware that they risk disqualification for obstructing other riders at the start or on the finishing circuit or using these areas as a public toilet. Toilet facilities are available at the Event H.Q.

You must observe R.T.T.C. Regulation No 18 (page 88).

Forms are enclosed so that you can register your support vehicle. Note well that the K.C.A. Committee will disqualify any rider guilty of infringing regulation No 19 (page 89). Please read this and ensure that your driver understands the restrictions of this regulation.

Support Vehicles on the circuit should take extreme care to avoid obstructing riders as there are sections of the circuit that are very narrow.

When you finish make sure your helpers do not obscure the Timekeeper's view or impede other riders. Please note that NO Riders or Vehicles are to stop at the Timekeepers, but they must continue to a safe and convenient stopping point.

A result board will be at the event H.Q. and will show 50, and 100 mile times where appropriate. Do not bother the Timekeepers. Information regarding non finishers will be welcomed.

The K.C.A. wishes all competitors a safe and enjoyable ride.
