ORGANISERS NOTES

At the K.C.A. Annual General Meeting 2018, I asked if members present would like the K.C.A. 12 Hour back in the racing calendar. The Result was that 99% of those present wanted it back.

September 8th, 2019 = 6a.m. saw the event back 31 riders entered – 23 started and 20 finished. Lots of problems occurred before the event due to road works etc.

Bob Giles (PMR) measured the course time and time again because of the road works / level crossing works. Bob Burden (Spin Wheels Team) as Event Secretary and Paul Mepham (VC Elan – Harry Perry Cycles) we had a top team of workers.

On the day, with near perfect weather, the event went to plan, with every roundabout and junction covered by Kent Cycling folk, too many names to mention in total. Just many thanks from the K.C.A. committee. In fact, I had too many names of marshals wishing to help on the day, so I will call on you next year!!!

Yes – the 12 hours will be held on September 6th, 2020 – why not ride it?

PAUL MEPHAM
